

Join METAA and Strengthen Your Leadership in Educational Technology

The Massachusetts Educational Technology Administrators Association (METAA) supports you through networking, services, professional development, advocacy, mentorship, and access to a community of peers across the Commonwealth.

Start/Renew your Organizational METAA Membership now to take full advantage of the 2026-27 benefits.

ONLY
\$200
PER YEAR

— MEMBERSHIP BENEFITS —

METAA provides free access to many resources, including our listservs, that save you time and money. These benefits are available to active members:

- ▶▶ **Conference Discounts:** As always, the Technology Director receives one free admission to the CTO Clinic. That is a \$225 value. Each additional registrant gets a discount of \$75.
- ▶▶ **METAA Statewide App Navigator** can save thousands of dollars in annual application research time and spending.
- ▶▶ **MHEC Procurement Partnership** offers cost savings, operational efficiency, and procurement improvements.
- ▶▶ **Cybertrust Massachusetts Partnership** offers a cybersecurity program with the opportunity to apply for \$50,000+ in grant support.
- ▶▶ **Include as many technology administrators** and staff from your organization in your membership as you want.
- ▶▶ **METAA is launching a new website** and member engagement system this fall.

Your membership also helps to support METAA programs like:

- Data specialists working group and state reporting series
- METAA CTO Certificate Online Course through Framingham State University
- METAA Mentorship Program for Technology Leaders
- State and federal advocacy on topics such as student data privacy, cybersecurity funding, effective screen time, and e-rate
- Year-round webinars on topics like Web Content Accessibility Guidelines (WCAG) and Google Administration
